

Bradninch Acoustic Music Club presents

8th February Club night with Maz Totterdell

Maz combines her confessional tales of complicated teen romance with cunning pop hooks and a confident sparkle. Maz's download-only debut single *Counting My Fingers* will be released on 23rd January 2012, followed by the album *Sweep*, which features a song already familiar to Steve Lamacq's Radio 2 and 6 Music listeners, 'Smile on Sunshine'; a summer tune that he said is 'in a good way, aching to cheer up an ad'break near you soon'.
