

10.30 - 5.00 : 26th Nov. 2011 ~ Combe Martin, N. Devon

Serving The Song

A workshop on accompanying folk songs for a variety of instruments
led by Pete Coe

Pete accompanies songs on bouzouki, 5-string banjo, melodeon or Appalachian dulcimer so he can choose which instrument best conveys the atmosphere of each song **he's arranging. He then works out** a basic accompaniment, adds variations which can enhance narrative ballads, support seasonal songs, energise work songs or drive choruses – all of which leads to effective performances and a varied repertoire.

Participants are encouraged to bring any instrument(s), recording devices and **several copies of a song they're working on to share with others. Pete will also** provide a selection of songs for group arrangements. Non-instrumentalists, particularly singers who work with accompaniment, are also very welcome.
